Dear Councillor Favell,

Re: Authorised Absence – Councillor Barbara Beeley.

I am writing with regard to Councillor Beeley's ongoing absence from Peak District National Park Authority meetings. Due to a long term serious illness Councillor Beeley has been unable to attend Authority meetings and her last attendance was 22nd July 2011.

Therefore, due to the serious nature of her illness and as per Section 85 of the Local Government Act 1972, I would request that Councillor Beeley's non attendance be considered as an authorised absence to continue until 29th February 2012. It is anticipated that Councillor Beeley should have returned to her duties by this time.

Yours sincerely

Charlie Parker
Chief Executive
