22/16 FULL APPLICATION - ERECTION OF STEEL FABRICATION WORKSHOP ON PREVIOUSLY DEVELOPED LAND, PITTMERE LANE, TIDSWELL MOOR, TIDSWELL

This application was considered at the meeting of the Planning Committee in January 2016 and deferred under standing order 1.48. Members felt that a landscaping scheme could mitigate the landscape and visual impact of the proposed development.

The following spoke under the Public Participation at Meetings scheme:

- Mr A Bettney, Applicant

A recommendation to approve the application subject to the suggested conditions set out in the report was moved and seconded. It was noted that the applicant had stated that he would need a skip to be situated outside on the site and that officers felt this could be covered by the landscaping scheme. It was also noted that the applicant had his own heavy goods vehicle which would need to be parked at the site, therefore it was agreed to delete condition 11. The motion for approval subject to the amended conditions was voted on and carried.

Cllr P Brady requested that his vote against the motion be recorded.

RESOLVED:

That the application be APPROVED subject to the following conditions:

- 1. Statutory time limit for implementation.**

2. **Development to be carried out in accordance with specified approved plans.**
3. **No development shall commence until a scheme of landscaping has been submitted to and approved in writing by the Authority. The approved landscaping scheme shall then be implemented.**
4. **No development shall commence until details of foul sewerage showing a package treatment plant has been submitted and approved in writing. The development shall then be carried out in accordance with the approved details.**

36/16 FULL APPLICATION - REPLACEMENT OF AGRICULTURAL BUILDING (RETROSPECTIVE), BUILDINGS AT CROSSLAND SIDE, HARTINGTON

The recommendation for refusal was moved, seconded, voted on and carried.

RESOLVED:

That the application be REFUSED for the following reasons:

1. By virtue of the siting and design of the proposed building, it would have an unduly harmful visual impact on the character of the surrounding landscape. Therefore, the current application is contrary to saved Local Plan policies LC4 and LC13, contrary to policies GSP1, GSP2, GSP3 and L1 of the Core Strategy, and contrary to national planning policies in the Framework.

2. **In the absence of an appropriate agricultural appraisal to support this application, and in the absence of any other evidence that demonstrates the building is reasonably required for farming, it cannot be demonstrated that the benefits of approving this application would outweigh or offset the identified and demonstrable harm to the valued characteristics of the National Park that would result from granting planning permission for the current application. Therefore, granting planning permission for the current application would be contrary to the principles of sustainable development set out in national planning policies in the Framework and policy GSP1 of the Authority's Core Strategy.**
