Dear Mr Goodyear

**Longstone Edge – Review of Old Mineral Permissions**

In my letter of 25 September 2008 I informed you that the Authority agreed to give Glebe Mines Ltd an extension of time to 31 March 2009 for the provision of information relating to the Longstone Edge ROMP, and that the same deadline had been given to Bleaklow Industries Ltd.

The Authority has now received a request from Bleaklow for an extension of time for the provision of the information to 30 June 2009. The reason for the request is to allow the parties to consider the implications of the judgment of the Court of Appeal in the Backdale enforcement proceedings.

The Authority considers that this is a reasonable request and has agreed to it. In the circumstances, however, it also seems reasonable to grant an extension to Glebe Mines in the same terms. We therefore agree to give your company an extension of time until 30 June 2009 for provision of the information requested in our letter to it dated 12 August 2008.

Yours sincerely

Bev Primhak  
Head of Law
