Dear Mr Goodyear

**Longstone Edge – Review of Old Mineral Permissions**

I refer to my letter of 6 March 2009 in which I gave your company a deadline of 30 June for the provision of information relating to the Longstone Edge ROMP.

We have received a request from Bleaklow Industries Ltd for a further extension because of the legal position in respect of Backdale, and we have agreed to this.

In the circumstances we consider that it would also be appropriate to grant a similar extension to Glebe Mines Ltd and we therefore agree to give Glebe an extension of time to 30 September 2009 for the provision of the information requested in our letter dated 12 August 2008.

Yours sincerely

Bev Primhak  
Head of Law
