Appendix 3. Headline Activities for the 3 Year Giving Programme.

Year 1 (2016/17). Set up stage – shaping the foundation stones of the work on which future growth will be dependent.

- Recruit staff to lead the programme of work:
 - Appoint full time giving co-ordinator job description development, grade confirmation, recruitment. It will be imperative to get the right person in post with the skills and competencies to lead and deliver this new activity
 - Appoint fixed term business analyst post (following the fundraising coordinator's recruitment) circa 18 months
 - Extend social media post
- Giving co-ordinator to develop detailed project plan for delivery of priorities.
- Commission campaign and giving messages/design material. Plan and design first campaign on the trails to soft launch our giving approach
- Development and initiation of the staff and volunteers, technology and marketing dimensions of the new activity. Key will be the development of customer relationship management, marketing and programme management systems.
- Developing our expertise in Event Fundraising with an event pilot on the Trails August 2016 "A Walk in the Park"
- Implement easy enhancements to spontaneous donation using social media e.g. including 'Impulse buttons' and video clips on our website
- Business plan a customer relationship management process including information management and database procurement (Campaign Management System or full Customer Relationship Management System tbc) specification and business case for investment developed (taking advantage of any organisation-wide opportunities), with delegated approval secured. Data policy implications scoped
- Explore and develop a Peak District Visitor Payback Scheme.
- Continue existing programmes of giving supported e.g. the Access Fund, guided walk programme, volunteers and visitor centres.
- Establish programme management system and performance reporting
- Review of first year programme.
- Report to ARP Spring 2017 on performance, lessons learned and the suggested next two years' programme.

Year 2. (2017/18) Continued development and delivery

- Design and launch a Year 2 Campaign for the trails and structures built on the lessons learned from Year 1
- Develop and deliver our event and face to face resource package including the volunteer events team.
- Developing a Supporter Programme through which committed giving will be established with customer relationship management process in place
- Enhancing opportunities for ad hoc Spontaneous Donations (especially using social media)
- Appoint to a 'Customer data steward' post 0.5FTE
- Appoint to a campaign officer post
- Implement customer relationship management process including configuration and data upload

- Further consideration of the use of volunteers and in recruiting donors in particular will be needed. Their effective use would minimise staffing costs and would optimise delivery.
- Design on-going fundraising events programme building on the lessons learned from the "Walk in the Park" event

Year 3. (2018/19) Review of Years 1 and 2 and exploration/development of new initiatives.

- Develop an enhanced approach to Legacies/In Memoriam and giving from High Net Worth individuals.
- Continuing to expand our campaign and supporter programmes and potentially launch a major campaign.
- Further development work to be considered on gift aid/charity.
- Review and lessons learned with next three year programme taken to ARP.
