

9. CORPORATE RISK REGISTERS: 2016/17 YEAR END AND 2017/18 PROPOSED (A91941/EF)

Purpose of the report

1. The purpose of this report is for Members to review the year end position for the 2016/17 Corporate Risk Register and approve the proposed Corporate Risk Register for 2017/18.

Key issues

- The 2017/18 Corporate Risk Register, once agreed, will be included in the 2017/18 Performance and Business Plan and will be monitored by this Committee on a quarterly basis as part of Corporate Performance Monitoring.
- The proposed Corporate Risk Register for 2017/18 has been developed by the Leadership Team and Operational Leadership Group by:
 - Reviewing the 2016/17 register year end position.
 - Considering risks that might prevent the achievement of year two of the 2016-2019 corporate strategy.
 - Considering risks in service plans which need to be escalated and monitored at a corporate level.
 - Considering the external environment that we operate in.

Recommendations

2. **1. That the Corporate Risk Register 2017/18, as given in Appendix 1, be reviewed and approved, taking account of the year end position on the 2016/17 Corporate Risk Register given in Appendix 2.**

How does this contribute to our policies and legal obligations?

3. Risk management contributes to the cornerstone *our organisation – develop our organisation* so we have a planned and sustained approach to performance at all levels. Additionally, risk management is part of our internal and external audit monitoring. Establishing and monitoring a Corporate Risk Register ensures mitigating action can be taken to ensure risks are controlled and managed down.

Background

4. In line with the arrangements set out in the Authority's risk policy, Appendix 1 shows the proposed Corporate Risk Register for 2017/18 as developed by the Leadership Team and Operational Leadership Group considering:
 - a) Risks that remain at the 2016/17 year end carry forward into 2017/18 but have been reassessed and redefined.
 - b) Risks identified during the service planning process which are considered appropriate to escalate for monitoring at a corporate level.
 - c) Other risks identified by the Leadership Team, particularly through consideration of the focus of activity being undertaken in our 2017/18 year.
 - d) The external environment that we operate in.

5. Appendix 2 shows how 2016/17 risks have moved over the year with only six remaining in Amber and one remaining in Red, and all other risks managed down over the year. Those remaining in Amber and Red are:
- Failure to create a common understanding of what we want to achieve in the White Peak
 - Adverse exchange rate movements for Moorlife 2020 European funding
 - Area of NP land safeguarded in agri-environment schemes reduces because of new Rural Development Programme for England (RDPE) implications
 - Failure to inspire people to give to a National Park Authority (Red)
 - Failure to effectively manage the impact of changes resulting from the EU exit vote in terms of:
 - Euro funding for Moorlife 2020
 - UK government funding
 - Policy and legislation changes
 - Partnership funding position
 - Failure to deliver against our Performance and Business Plan in a time of structural change
6. These remaining risks have been reassessed, refocussed and redefined in the proposed 2017/18 Corporate Risk Register as follows:
- Failure to create a common understanding for the White Peak, including engaging with the farming community and land managers
 - Adverse exchange rate movements for Moorlife 2020 European funding
 - Area of NP land safeguarded in agri-environment schemes reduces because of Brexit uncertainty and continuing issues with Countryside Stewardship
 - Failure to inspire people to give to the Peak District National Park Authority
 - Failure to influence the transposing of EU laws and legislation for landscape and the environment into UK law after Article 50
 - Failure to deliver against our Performance and Business Plan in a time of change

Proposals

7. Members are asked to:
- a) Consider the year end position of the 2016/17 Corporate Risk Register as given at Appendix 2.
 - b) Agree the proposed 2017/18 Corporate Risk Register as given at Appendix 1- this includes an initial assessment of where the risk sits on our risk matrix at the start of the year. Risks will be managed down over the year with quarterly monitoring reported to this committee.
 - c) Note that the agreed 2017/18 Corporate Risk Register will be included in the 2017/18 Performance and Business Plan.

Are there any corporate implications members should be concerned about?

8. **Financial:** Some of the risks on the proposed register have financial implications as indicated.
9. **Risk Management:** The corporate risk register is a key part of the Authority's risk management process.
10. **Sustainability:** None identified.
11. **Background papers:** none
