

### **Annex 3**

#### **Proposal for integrating National Park Management Plan with existing forums**

- 1 All National Park Authority initiated forums shall include an item at their next forum meeting to publicise the National Park Management Plan; the new monitoring group and the group member representing that forums area of interest.
- 2 Forums thereafter shall include National Park Management Plan monitoring as a standing item.
- 3 The policy officer shall attend the Recreation Forum, the Land Managers Forum and other forums, meetings, and project groups that are key to the delivery of the National Park Management Plan outcomes.
- 3 The forums shall take on board the findings of the Partnerships scrutiny panel and the resulting policy for establishment of partnerships, involvement in partnerships and dis-establishment of or withdrawal from partnerships.
- 4 Any new forums shall be made aware of the National Park Management Plan and particularly those parts of the plan that are most relevant to that forums interest area.
- 5 Where there is no obvious forum for outcomes (for example at the moment there are no forums specific to cultural heritage, natural beauty, climate change and natural resources, or minerals) the group member for that area shall be encourage to link with other existing groups, meetings and forums to promote the NPMP.
