

STANAGE-NORTH LEES: Into the Future

The following table outlines initial ideas/proposals for developing Stanage-North Lees according to the principles of the Vision. The contribution that the campsite would make to this is shown in bold. Capital investments are under-lined.

Vision

To care for, enjoy and promote understanding of the Stanage-North Lees Estate in a sustainable way which respects and enhances wildlife, heritage and landscape for everyone, forever.

<u>Landscape</u>	Existing funds	Possibilities for new External Funding
Further development of conservation measures backed up through agri-environment	In-house	Renewal of agri-environment scheme
Archaeological survey designed to deliver recommendations for people involvement through conservation of features and interpretation		HLF Development phase
Conservation works on Ringinglow Bog including student survey projects	Small scale opportunist works	HLF Delivery Phase
Conservation volunteer action including: - Campsite based working weekends - Using the campsite as the meeting place		HLF Delivery phase
<u>People</u>		
Improvement works to existing access including footpath access to campsite	Access Funds/Estate & Area Ranger/PPCV	
Disabled Access: - Audit of disabled access and opportunities - Long causeway opportunities (including car parking) - Campsite facilities including <u>disabled toilet/shower/reception</u> and <u>camping pod</u>	Small scale in-house	HLF development phase "The Big Push" grant to enable access for people with disabilities. HLF Delivery phase
New Access routes e.g. - linking paths through Ridgeway side woods using conservation volunteers in their construction, - open access in woodlands adjacent and close to the campsite These seek to spread the visitor load and engage people in previously un-explored parts of the property	In-house	HLF Delivery phase

<p>Interpretation</p> <ul style="list-style-type: none"> - Panels in targeted locations using user groups to develop the material. One of these campsite focused and developed with visitors over a series of events - Self-guided trails based on new technology. One, at least of these campsite focussed - Interpretation hub/barn at <u>Hollin Bank Ranger Briefing Centre</u> (with concession) 		<p>HLF Delivery Phase following audit in development phase</p> <p>Veolia</p>
<p>Outreach to disadvantaged and disabled groups targeting Sheffield including:</p> <ul style="list-style-type: none"> - Activity weekends based at the campsite - Campsite based events/activities <p>And including possible construction of <u>multiple-use all-weather shelter/meeting room</u> at the campsite</p>		<p>HLF Development phase; Veolia</p>
<p>Events programme including:</p> <ul style="list-style-type: none"> - Open Farm Sunday - Heritage days based at the Hall - Themed weekends at the campsite including Jane Eyre, Robin Hood, Dark Skies, Birds - Programme of walks and talks, a proportion of which will be campsite based or meet at the campsite 	<p>Small scale in-house</p>	<p>Larger scale through HLF Development phase</p>
<p>Connections</p>		
<p>Critical element in Sheffield Moors partnership</p>		
<p>Develop links with foreign towns/organisations/countries developing this based on foreign visitors including climbers visiting the campsite</p>	<p>Marketing project</p>	<p>HLF Development phase</p>
<p>Resources</p>		
<p>Trust</p>	<p>Strategic funds</p>	
<p>Donations, targeting:</p> <ul style="list-style-type: none"> - Car park users - Campsite visitors - User groups e.g. climbing clubs, walking groups 	<p>Branding Project</p>	
<p>Sponsorship, targeting:</p> <ul style="list-style-type: none"> - User Group related facilities including climbing walls - Outdoor shops including camping shops 	<p>In-house</p>	
<p>External funding:</p> <ul style="list-style-type: none"> - HLF - Veolia - Possibly Esmee Fairburn - The Big Push 		
<p>Development of a vibrant farm-based business with an emphasis on exemplary land management, traditional breeds, local produce and farm teas.</p>	<p>In-house</p>	

Please note these are very initial ideas to act as the 'seed' for developing an all-encompassing management plan for Stanage-North Lees
