Thank you so much for providing this information, it's very helpful.</p> <p>The response notes "We discussed, as part of this work, the possibility of making this route available for cyclists but this was not agreed by the landowner."</p> <p>I believe the landowner is United Utilities? Would it be</p>	28 Jul 2020	06 Aug 2020	24 Aug 2020	YES	NO

		<p>possible to provide copies of the discussion which took place with them regarding cycle access, assuming this was written or electronic?</p> <p>It is notable that existing cycle usage was acknowledged, but that this was then effectively blocked by the barriers immediately chosen without public consultation, removing an important and useful route for a large set of users. It would be good to see it clearly stated that United Utilities refused cycle access on this trail so that the matter can be followed up with them instead.</p> <p>RESPONSE: 06/08/2020 - Final response - information not held, however as utilities companies are subject to EIR, then could apply directly to them for the information.</p>
