

The Peak District National Park Management Plan Parishes Day

**Emily Fox – Head of Information & Performance Management
18 September 2021**

What is it

- Partnership plan for the place
- Conserve & enhance special qualities
- Coordinated by Authority
- Partnership vision and actions
- Current one is 2018-23

- Landscapes designated because of their spectacular natural beauty, wildlife and cultural heritage – their special qualities.
- Purpose is to conserve and enhance these special qualities & promote opportunities for understanding and enjoyment of them.
- In pursuing these dual purposes seek to foster the economic and social well-being of local communities.

Beautiful views created by contrasting landscapes and dramatic geology

An inspiring space for escape, adventure, discovery and quiet reflection

Internationally important and locally distinctive habitats and species

Undeveloped places of tranquillity and dark night skies within reach of millions

***Characteristic settlements
with strong communities
and traditions***

***Landscapes that tell a story of
thousands of years of people,
farming and industry***

***Vital benefits for millions of people that flow beyond the
landscape boundary***

Current Plan

An enhanced
diverse, working
and cherished
landscape

A sustainable,
welcoming
and inspiring
place for all

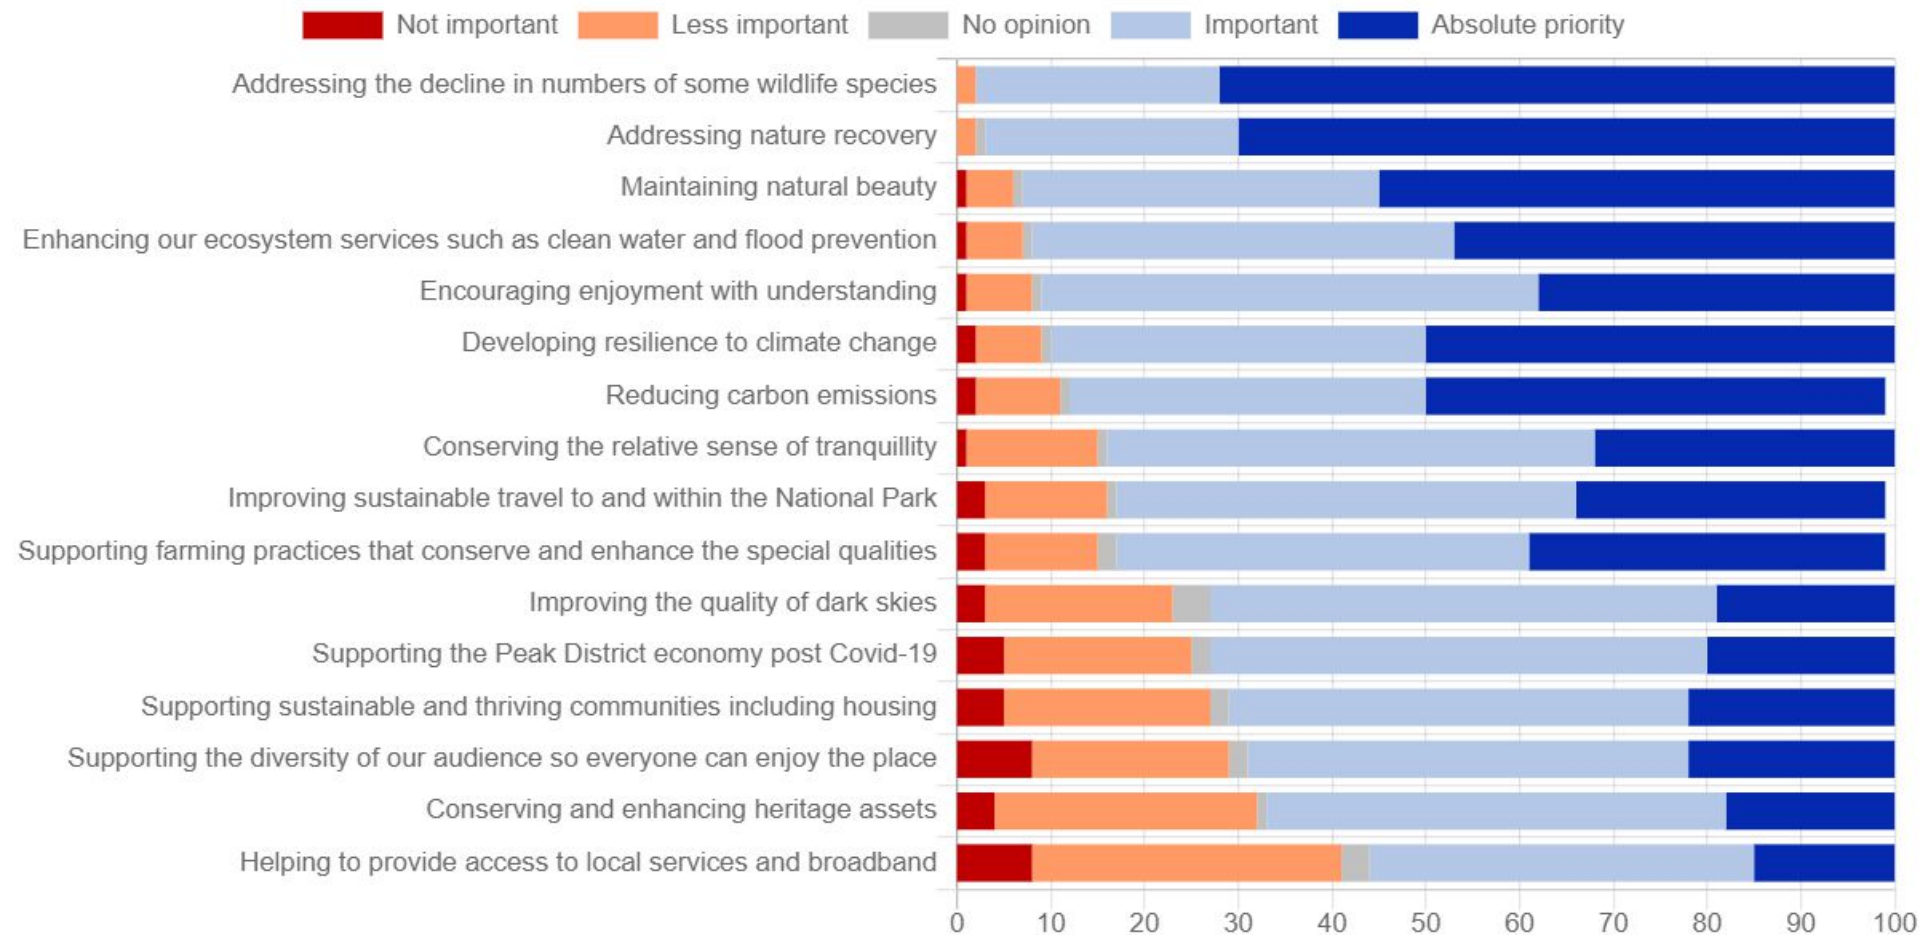

The Peak District
National Park: where
beauty, vitality and
discovery meet
at the heart of
the nation

Thriving and
sustainable
communities
