

## Appendix 2 – Screen Print of Zap Map showing EV charging points within the Peak District National Park (4<sup>th</sup> January 2022)

The screenshot displays a web browser window with the following elements:

- Browser Tabs:** Derbyshire County Council, zap map uk - Bing, and Map of charging points for elect...
- Address Bar:** <https://www.zap-map.com/live/>
- Search Bar:** Search by postcode, town or city
- Left Sidebar:**
  - Sign In/Register
  - Add EV Model
  - Filters (CLEAR, APPLY)
  - Nearby chargers
  - Route planner
  - Zap-Chat
  - Settings
- Main Map:** A map of the Peak District National Park area, densely populated with EV charging point markers. The markers are color-coded: blue for public, pink for private, and yellow for commercial. Major roads like the M1, M6, and A628 are visible. The text "Peak District National Park" is centered on the map.
- Map Controls:** A search bar at the top right, a compass and location pin icon at the bottom left, and a zoom in (+) and zoom out (-) button at the bottom right.
- Bottom Taskbar:** Windows taskbar with a search bar ("Type here to search"), application icons (Edge, File Explorer, Word, etc.), and system tray information showing "4°C Sunny" and the date "04/01/2022".
