THORN BRIDGE HALL DEVELOPMENT
Dear Sirs or Madam,

I am in full support of
Mrs Harrison's Cafe Development & Access
Road, & just to name a few,

It is on private land &
cannot be seen from any Public
Highway's. It is being left to a
trust administration for it's future

It is beneficial to the
municipal trail for walkers & cyclists
& provides open garden's children's
play area's good safe car parking
& many more facilities. However,
she was wrong not have the plans
passed & should face a heavy fine!

Yours faithfully
