 - ~~from~~ amongst those living in or representing an area that lies within the National Park

8. Taking into account the expertise, interest and potential of candidates, Members should also consider the desirability of achieving a spread of between the **Appointment Categories** when appointing Member Representatives and to outside bodies.

Standing for Office

9. All Members are assumed to be equally committed to the objectives of the National Park and to have a contribution to make across the full range of the Authority's work.

12. Members who have held a position or appointment for a continuous period of four years will not normally be considered for re-election or re-appointment.
