7		PE\2023\ENQ\48944	<p>EIR - further to my request of 24 July and PDNPA response of 18 August, what I am trying to find out is the success or otherwise, of the predator control being undertaken on Warslow Moor. I imagine that the people who manage it know who is doing what, and what effects in terms of breeding bird numbers must be. After all, if they didn't have the information, they wouldn't be able to manage the process with any hope of success..</p> <p>All I want is copy of the contract or tender document for the predator control, and whatever bird data the people managing Warslow use themselves. If it is necessary to pay for this information, please let me know how much it will cost.</p> <p>See 48331</p> <p>RESPONSE: 28/11/2023 - Final response, provision of copy of tender document, refusal of bird data citing Reg 12(5)(g) of EIR - protection of environment.</p>	04 Nov 2023	28 Nov 2023	30 Nov 2023	YES	NO
