
MEMBER CHAMPION GENERIC ROLE

A Member Champion:

1. Is a critical friend and sounding board for Officers in developing strategic work and discussing potentially contentious/high profile issues on an exception basis.
2. Develops knowledge around strategic corporate outcomes and monitors performance progress.
3. Has an awareness of the Authority's work relevant to strategic corporate outcomes and shares this internally with other Members.
4. Has an awareness of external factors that may impact on their area of interest.

A Member Champion will be supported by:

1. A named Lead Officer who will involve other Officers as appropriate. They will agree the way of communicating and engaging with the Member Champion.
2. Appointed Member Champions can claim travel and subsistence for meetings with the named Lead Officer and when the Member Champion is invited to accompany the Lead Officer for their role.
