	PE\2024\ENQ\49178	<p>EIR request received via WhatDoTheyKnow:</p> <ol style="list-style-type: none"> 1. The derelict building that used to be the Staffordshire Knot pub seems to have some bat activity. Please can you fish out the bat reports which have been submitted around their protection and, if possible, species? 2. Has the bat protection issue been included in the decision making over the building's future use? If so, please provide all documents provided as part of the decision making process. 3. I see there is talk of a community cafe within the building. Please can you explain what that means? Presumably it would be open 9-5 Monday to Saturday, with space for community stalls.
