Dear Mrs Bolland

**Environment Act 1995 - Review of Mineral Planning Permissions**  
**Application for determination of new planning conditions - Longstone Edge**

I refer to an earlier letter from this Authority dated 25 April 1997 granting an extension of time to submit the above application and to our telephone conversation on 2 June 1997 in which you sought a further extension period.

In view of the circumstances, which includes discussions with RMC and Laportes over the submission, this Authority is prepared to grant a further extension of time of 4 weeks (ie until 7 July 1997) to submit the details (or such other period of time as may be agreed in writing).

Yours sincerely
